- “Selección 2012 Blanco is pure Godello from old vines at high altitude which fermented in stainless steel and aged in barrel in contact with the lees with bâtonnage for eight months. It has the benefit of a more balanced growing season and portraits a serious nose, subtle and restrained, that is balanced, harmonious and has some elegance with well-integrated oak, notes of fennel, aniseed and white fruit. It has a tasty palate with good balance, some balsamic flavors and a good finish.”

BODEGAS PALACIO

D.O. Ca. Rioja

Cosme Palacio 1894 White 2008

The wines bottled under the Cosme Palacio label begin with the one white offering, the 2008 Cosme Palacio 1894 Blanco, made from a co-fermented blend of 95% Viura and 5% Malvasia, which was barrel-fermented and aged for 9 months in French oak. The grapes were sourced from low-yielding vines over 80 years of age. The wine was fermented slowly and not put through malolactic fermentation resulting in a finished wine of 12.5% alcohol. Light gold in color with an alluring bouquet of popcorn, mineral, nutmeg and other baking spices, spring flowers, and pear, on the palate it is round, concentrated, and exceptionally elegant. This intensely flavored, incipiently complex offering is likely to evolve for several years and drink well for 10-15 years

- Nr 78075, 12,5%, 149 kr, Ekologiskt, 100% Xarel-Lo

- MS kommentar: Medelfyllig doft där grapefrukt dominerar över ett örtigt inslag av cironmeliss och en försiktig karamellton. Smaken har tydliga, något avrundade fruktsyror och ett lätt bitter slut
